Dear Rafalji, Namaskar

How do we analyse if one will get a govt. job? I was thinking of applying for govt. jobs but i am not sure if i will be successful. If sun is with the 10th lord will that give a govt. job?

Regards,  
Rupa.

Dear Rupa,  
Ra influencing Amk along with Simhasana/Rajayoga + 6H stronger in D10 and arthakona occupied by Su/Mo in D10 with supporting Navamsa would be quite enough to judge.

Dear Rafalji,

My Amk is rahu in the 10th house and the 10th lord shani is in 2nd house with sun. I am currently running shani-shani-rahu but shani is in parivartana with sukra in navamsa so i guess it is shani-shukra-rahu. In D10 7th house is stronger with shani in it but again shani is in parivartana with mercury which is in the 2nd house, sun is in 5th house exalted with guru (lagnesh) and ketu. Again sun is exalted in navamsa but is in 6th house. Rafalji do you think i still stand a chance?  
dob: 25th may 1972, 5am, bangalore, india.

Thanks, rupa.

Dear Rupa,

AK in kendra to AmK Rahu in 10 is very good yoga for career success. Rahu in tenth is usually remedied by pilgrimages, otherwise can afflict bhava of Surya - finances, working with group.

10L in second bhava is Simhasana yoga needed for politics.

Surya sits in sixth in D9 which is also supporting this line.

In dasamsa Shani sits in seventh so its promoting more jobs than buisness, its very good as its 10L from Rasi in digbala.

Surya is very strong and in Satya yuga sign in D10 which is also good.

What is lacking is Moon/Surya occupying artha kona in D10 and Surya influencing 11H from AL.

Ve/Ma/Ju axis shows money gained from corporations related to managment/consulting/engineering.

Ve/Ma in third gives laziness, problems with juniors and instable work.

Also Ve/Ma is more supported by Moon and Paka Lagna than Su/Sa (politics).

All this works if your chart is rectified, which can be doubtful for 5.00 birthhour.
